**SUBJECT:** UPDATE OF LOCAL PUBLIC AGENCY (LPA) PROJECT ADMINISTRATION

The purpose of this correspondence is to provide an update to the October 6 and October 10, 2008 letters of the same subject.

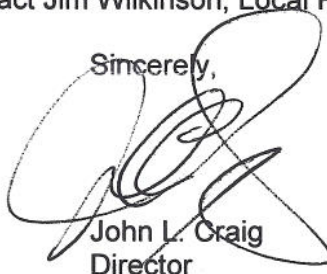

Significant progress has been made on many fronts in conjunction with the Federal Highway Administration.

By way of update:

1. A new LPA Manual will be provided to all cities, counties and the Department of Roads by March 9, 2009, not by January 30, 2009 as previously announced.
2. Training for all cities and counties will begin April 6, 2009, not by February 2009 as previously announced.
3. Prior to January 1, 2009, a team of Nebraska Department of Roads' Auditors began a systematic audit of LPA project administration by the Department, cities and counties. This effort will continue into the foreseeable future.

For additional information contact Jim Wilkinson, Local Projects Section Engineer, at (402) 479-4607.

Sincerely,

John L. Craig  
Director
